## CHILE GLACIAL TREK & KAYAK

### DAY 1: SANTIAGO, CHILE

Meet in Santiago for a welcome dinner and full briefing session, to prepare for your expedition.

### DAYS 2 – 6: SANTIAGO / TORRES DEL PAINE, PATAGONIA

As a group you fly to Patagonia to commence your hike. Torres del Paine is regarded as one of the classic treks of the world. This all inclusive hut to hut adventure will see you trekking and kayaking through rugged glaciated mountains, lakes and forests. The landscape of the park is dominated by the Paine massif, which is an eastern spur of the Andes located on the east side of the Grey Glacier, rising dramatically above the Patagonian steppe. Small valleys separate the spectacular granite spires and mountains of the massif.

You will explore Torres del Paine National Park from the granite peaks of Las Torres and Los Cuernos to the meandering trails of the Nire Forest.

### DAYS 7 – 8: RIO SERRANO

Designed to fully experience the Patagonian Andes and discover Chile's unique South American terrain, these days are spent kayaking through ice-carved rivers to get up close and personal with these majestic landscapes.
